WILLARD FOLEY  
Treasurer

The long-awaited moment in the lives of 227 young people came to reality Tuesday evening when they were awarded their high school diplomas in commencement exercises for the Warren high school Class of 1956. The 228th diploma

was presented posthumous for Glenn Allan Anderson, whose untimely accidental death Monday evening cast a spell of sorrow over the senior activities.

The Rev. G. Mason Cochran's inspiring and challenging com-

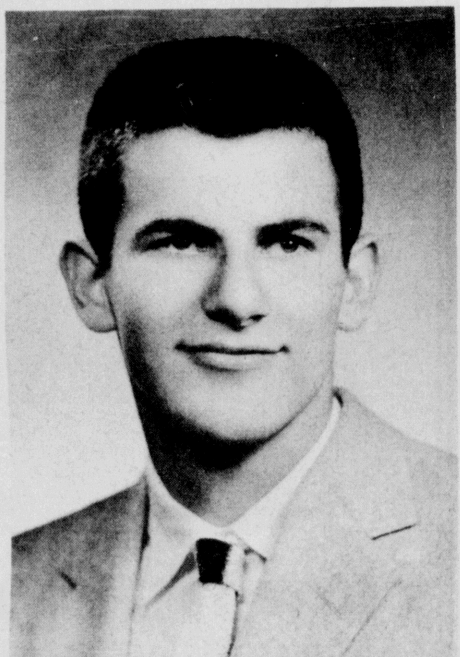

mencement address highlighted the evening's program, which also included talks by Salutatorian Walter Hogan and Valedictorian Nancy Dalrymple.

This week's issue of the Warren Observer carries on the front page

pictures of the commencement exercises, the Class of 1956 officers and an award winner. Elsewhere in this edition you will find the pictures of other award winners, the names of the honor group and the class roster.

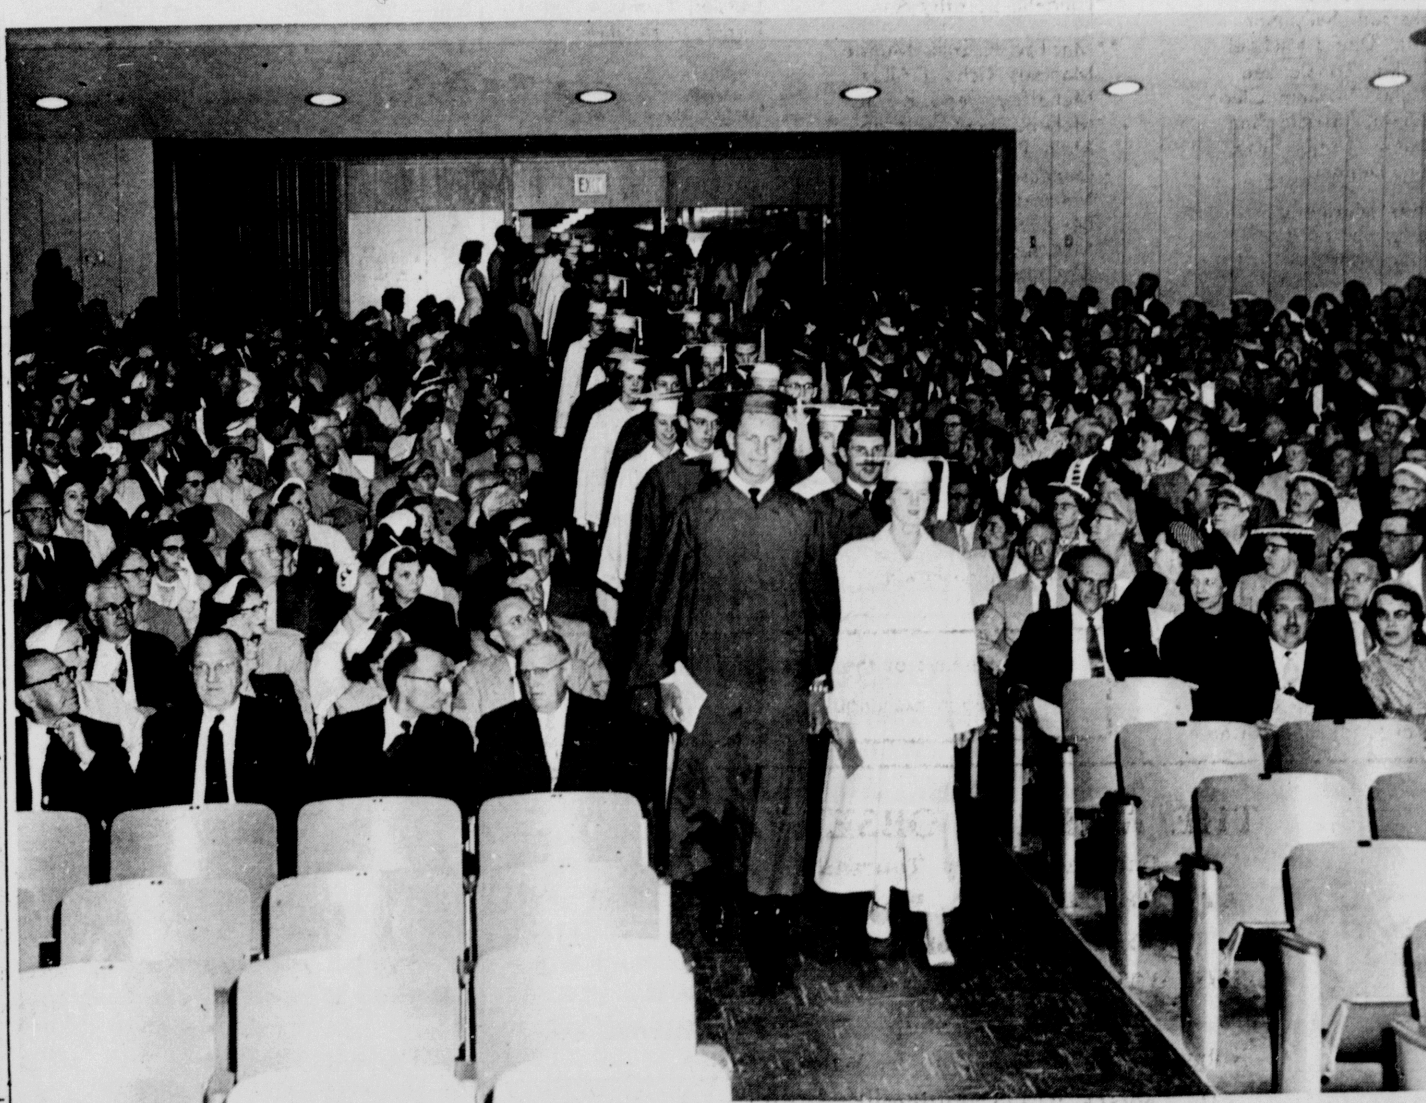

GARBED IN GOWNS of blue and white the young men and women of the 1956 Warren high school graduating class sat solemnly through commencement exercises at Beaty school.

DAVID FITZGERALD

CO-PRESIDENTS Mary Ann Watt and Michael Shanshala led the procession as members of the Warren high school class of 1956 marched down the aisle of Beaty auditorium Tuesday night to receive their diploma.

## Now It's Picnic Weather

AND FOOD TASTES so good when it's served out under a tree.

But—just one warning. The "raw" water you find in the great outdoors is noi as good as it looks. So play safe—when you go on a picnic take along a big thermos of water from home. It's been tested and treated to meet the most rigid health standards. It's absolutely safe.

Water still sells at low pre-war prices

Warren Water Company

 W. Robert Walsh, Managing Editor

PRICE BY MAIL — \$3.50 A YEAR — 10c EACH

Entered as second-class matter at the post office at Warren, Pa.

GRADUATING JUNE 9 from the Manlius School, a military school at Manlius, N. Y., is James A. Munn, oldest son of Mr. and Mrs. Milt Munn, former Garland and Warren residents. He was a member of the marching band, concert band, track team miler, associated with the school paper staff, and was awarded two all-star positions on the intramural all-star football team. He also is a sergeant in the R.O.T.C.

Milt is playing at the Savoy in Rome, N. Y., for his sixth year. Milt and his wife, the former Ruth Gross, plan to renew local friendships when they attend the 1936 W.H.S. class reunion.

MRS. DOREEN STEPHENS BEACH

In her eighteenth year as an instructor, Mrs. Doreen Stephens Beach will present her students in "Dream Kitchen" at Beaty auditorium on June 11 and 12.

Mrs. Beach started her dancing career at the age of three in the Sweeney and Rooney studio in Scranton and later from Fleichers and the Frank White studios. Still in her early years she performed over radio stations WGBI and WARM.

When she was eleven, Mrs. Beach was chosen, out of 300 children by John Malarkey, well known vaudeville man, to receive special instruction. This is when she started her teaching career as she traveled through the Scranton area with Malarkey as assistant instructor.

She acquired her stage training from William Lynette and elocution from Mrs. Lynette. Later she studied under Alexi Ramor of Ballet Russe, now associated with Sutton Studios, where she attends school yearly, and also Arthur Murray in Erie.

For the past year Mrs. Beach has worked with the Statia Sublette school in Erie, studying children's classics. Two of her students, Elsie Rapp and Connie Mealy, are studying there with her.

Mrs. Beach has been instructing in Warren for the past six years.

**How Is Your Chest?  
You Will Never Know  
Without An X-Ray  
And It's FREE!**

UNDER THE ATMOSPHERE of a Caribbean theme, young people danced away at the annual junior-senior prom of Warren high school last Saturday evening.

IT WAS A BIG NIGHT for members of the Warren high Class of 1956 Monday night when they attended the class dinner at Beaty cafeteria.

ANNOUNCE ENGAGEMENT. Mr. and Mrs. Irvin William Veeck of Crystal Lake, Ill., have announced the engagement of their daughter, Mary Elizabeth, to James Roy Gilson, son of Mr. and Mrs. LeRoy Cassius Gilson of 115 Russell st., Warren.

Miss Veeck is attending the University of Illinois, where she is a member of the Omicron Chapter of Gamma Phi Beta. Mr. Gilson is a graduate of the Pennsylvania State University and is employed by The Dow Chemical Co. in Midland, Mich. A fall wedding is planned.

MR. AND MRS. FRANK GAGHAN

A dinner-party was held Wednesday evening for Mr. and Mrs. Frank Gaghan in honor of their 50th wedding anniversary. The happy event took place at the home of their son, Louis, of 504 Mulberry st.

Mr. and Mrs. Gaghan, who presently reside at 515 Prospect st.,

Warren, were married on June 6, 1906, in France and have lived in Warren for the past 43 years.

Among those attending the anniversary party were their four children, Evelyn, Marie, Merle and Louis, all of Warren, and their five grandchildren.

## Control Pedestrians

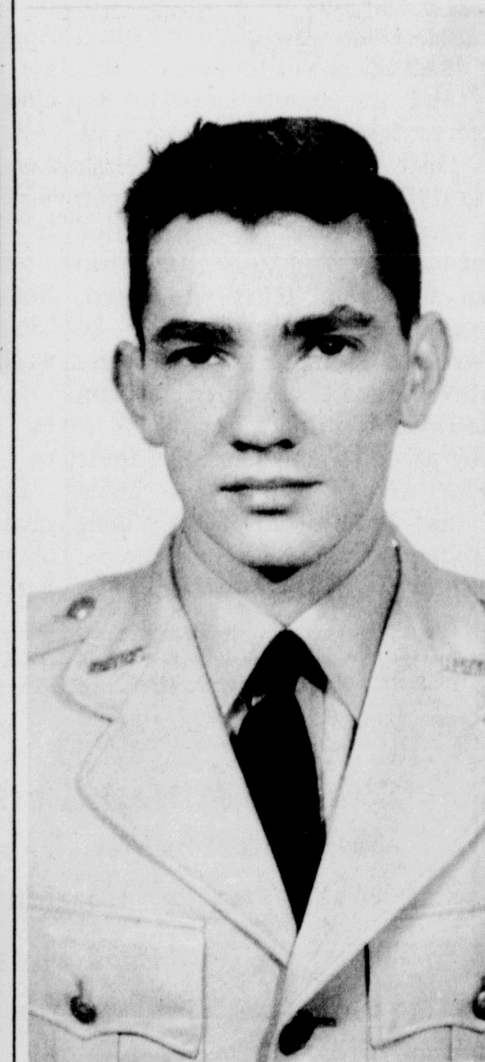

To Editors,  
Warren Observer  
333 Hickory St.

Dear Sirs:

I am writing you about a matter which is of deep concern to me, and should be to every resident of Warren. I have seen, while about town, a sight which has caused me to be ashamed of my community and the people in it. Maybe you have guessed it already, but in case you haven't, the offense is "jay walking". This is a surer means than most of leaving this world. Other cities have laws pertaining to this, but we do not. I am not saying that we should pass laws prohibiting this, but we should at least do something about it downtown.

In residential sections traffic is not as bad, and people are more careful. But in the business district we see many near misses daily. Someday there will be a direct hit. Then we will say "There oughta be a law". Just a few weeks ago, a boy was killed by a truck. The boy wouldn't have obeyed a law if there had been one. But the older people of the community would and should obey a law. About 36.5% of our traffic deaths are caused by jay-walking. WHY? BECAUSE OF HUMAN CARELESSNESS.

I would appreciate it deeply if you would mention this to your readers. It might save someone's life. Thank you for your kindness in reading this. I hope I didn't take up too much of your time. Please do not use my name, as I am in the 8th grade and it would be very embarrassing.

CASPER J. SCALISE, III

Casper J. Scalise, III, son of Mr. and Mrs. Casper J. Scalise, Jr., of Long Beach, N. Y., was graduated Monday, May 28, with a Bachelor of Science degree from Tulane University of Louisiana. A mechanical engineering major, he was in the upper tenth of his engineering class and second in mechanical engineering.

The graduate has been commissioned a second lieutenant in the U. S. Air Force after four years of AFROTC training and will enter active duty this fall. In the meantime he has accepted a position with North American Aviation, Inc., as engineer-aerodynamics in the thermodynamics group of technical section.

In attendance at the graduation ceremonies were young Scalise's father and sister, Joan, of Long Beach, Robert Santos of Cranesville, Pa., and Miss Minnie Scalise of Warren. He is the grandson of Mr. and Mrs. Casper J. Scalise, Sr., of this community.

# TE LA DI O

## MAXIMUM COVERAGE

We are watching a newly formed organization which now represents about sixty-five television stations and is expected to be joined by over thirty more. Its objective is "to assist the appropriate authorities and the industry in assuring the maximum television service for the people of the United States, and to follow the intent of Congress in the Communications Act of 1934 as amended."

With the FCC puzzling over what is to be done about proposals to switch most of the nation to ultra high frequency, many of us in fringe areas should be alert to any moves that will reduce our selection of programs. Remembering the mishandling of fm in radio and the resulting poor reception of am, all who want television to do the best possible job for the public as a whole are wondering just how the change-over to uhf will be effected, and will existing vhf service be so strangled as to leave us with no more than we had in the early days . . . if that.

The new organization has offered to provide legal and engineering brains to provide the best of advice. Its membership is limited to stations who have the maximum power allowed them and naturally takes in most of those with something to lose if their range is curtailed. This could be good or bad. If they are opposing healthy competition from uhf it is bad. If they are fighting to assure competition by clear reception of their stations as a fair comparison with uhf it is good. \*\*\*

## FAVORITES

WGR's monthly teen-age poll of favorites finds Heartbreak Hotel still leading the records. Bill Haley and his comets caused a big change in the band line-up when he made first place in his first time on the list. Jimmy Dorsey dropped from first to fifth. Glenn Miller stayed in second and Guy Lombardo moved up from fourth to third. Teresa Brewer continued to be the favorite girl singer, and Elvis Presley moved from third to first as the favorite male vocalist.

They named Perry Como as their favorite actor, which just about pegs that boy, and Loretta Young was picked as their actress choice. An interesting list only because it

reveals how the juvenile minds in one major urban area are thinking. \*\*\*

## WRITERS WANTED

A thousand more writers could be used by the movie industry where there is a major shortage of original material (as anyone can see). The authority for the statement is Samuel Goldwyn, whose address is Hollywood in case you are looking for a job . . . and can write. \*\*\*

## ONE MAN?

Victor Borge will be billed as a one-man tv show on June 14, starting at ten in the evening. But this program has taken six months to prepare and over two hundred people will have had a part in it, either in the preparations or the night of the productions. No matter whether you put one or twenty out there in front of the camera, a good sized staff is needed to put a major show across. \*\*\*

## DIAL SPINNERS

SUCCESS AT HOME is the story of Cedric Adams who will be interviewed by Edward R. Murrow, Friday evening. The reporter and columnist who has made his name while never leaving home is a contrast to Murrow's other guest, Claudius Charles Philippe of the Waldorf, who has gone half way around the world to make a reputation as a gourmet. \*\*\*

THE HOMELY GIRL who becomes a beauty after an auto wreck when a mysterious friend helps work the change is the theme of The Second Face, seen on WBEN at 11:30 Friday evening. Ella Raines plays the lead. TO ABC goes Ford Theatre next fall. WGR which will drop it in August because it now is NBC, will get it back in the fall after the change.

ANNA KARENINA, with Vivien Leigh in the lead, will be seen on WBEN at 11:30 this evening. This is Tolstoy's classic love story. ADD BOB CROSBY to your color list on Channel 4. At this pace Channel 4 programs will be fairly well colored by mid 1957.

CANCELLED BY STUDEBAKER is TV Readers Digest, seen Sundays on WJAC. It will end July 8.

SUMMER REPLACEMENTS include Snooky Lanson for Dinah Shore, Adventure Theatre for Your Hit Parade, which will be back

September 8, a filmed series called Sneak Preview replaces Fireside Theatre, Charlie Farrell Show for I Love Lucy.

SPORT HEADLINERS . . . The Belmont Stakes will be seen June 16 at 4:30, directly handled by CBS . . . FIGHTS TO BE SEEN include Hurricane Jackson and Floyd Patterson, Friday night over NBC. Rory Calhoun and Willie Vaughn will go at it June 22.

GOLF WILL HAVE a big share of the time the next two week ends. The fifteenth annual Palm Beach

golf tournament will be played Sunday and will be carried from 4:00 to 5:30 by Channel 2. The following week some of the national open will be carried from Rochester . . . This Saturday, Jimmy Demaret has Jackie Burke, the Masters winner, for his guest and putting instructor, at 6:15 over Channel 4.

ANOTHER PIRATE game has been scheduled by KDKA. It will be at Milwaukee, July 15, at 3:30. This completes the schedule of televised Pirate games, the first of which will be at St. Louis, Sunday, at 2:30.

## In Brief

ABOUT 400 MEN will bivouac near Kane, Saturday and Sunday, when the third battalion, comprised of Warren, Kane, Bradford, and Ridgway, starts training for its annual Indiantown Gap encampment. They will be under the command of Major Bernard Steis, of Kane, and will attempt to qualify every man with the M1 before going to Indiantown, August 12 to 26. Company I will leave the Warren armory at 5 a. m., Saturday, and will return Sunday night.

A \$61,200 CONTRACT for construction of a steel water tank and tower at the Veterans Administration hospital at Aspinwall has been awarded Hammond Iron Works of Warren.

AN INVITATION to attend the commencement festivities at Bucknell University from June 9-11 as a special guest of the university, has been extended to Edwin G. Jack of 302 Prospect st., Warren. He will be honored during the program along with other members of classes graduated half a century ago, 1906.

MANAGEMENT CHANGES have been made in two local businesses. Everett "Eddie" Emerson became the new proprietor of Mulvey's News Stand and Confectionery on May 28. The confectionery, located at 808 Pennsylvania ave., E., was operated by William J. Mulvey, Jr., for about three years.

On June 2, Mr. and Mrs. Ford Winner took over ownership of Conroy's Grocery from Lewis Conroy. The store is located at 25 Madison ave. and is now known as Winner Grocery.

A JAMESTOWN MAN plead not guilty to a charge of driving under the influence of intoxicating liquor at a hearing before Justice of the Peace Ervine Branch Wednesday and was placed in Warren County jail when he failed to put up \$500 bail.

Borough police placed the charge against Charles Olson, 66, of Jamestown, N.Y., at 5:25 p.m. Tuesday after he crashed into a parked car owned by Hannah Jane Rudolph of 103 1/2 Fourth ave. Olson failed to stop at the scene on Fourth ave. and was picked up at the intersection of Fifth ave. and Water st., where his car had stalled.

AS A FOLLOW-UP to a recent decision by Warren's funeral directors to cease ambulance service in the borough, a public meeting has been called for 7:30 Tuesday evening, June 12, at the municipal building.

A meeting of community leaders and the funeral directors was held recently and at that time a committee was named to formulate plans to be presented at a future meeting.

A WARREN MINISTER, the Rev. Frederick B. Haer of the First Lutheran Church, has been appointed to the Synodical Board of American Missions and a trustee of the Bethesda Home at Meadville. The appointments were made at the 114th annual convention of the Pittsburgh Synod in session at Thiel College.

NEGOTIATIONS between the Struthers Wells Corp. of Warren and Local 1328, International Association of Machinists, are scheduled to commence Monday with a meeting between union officials and the management.

The local's contract with the corporation expires midnight, June 14.

AWARDS WERE EARNED by 12 patrols of Boy Scouts at the Camporee at Camp Olmsted this past week end and in addition 150 scouts and leaders received awards commemorating their part in cleaning up the Cornplanter cemetery.

The recipients were Beaver patrol of troop 9, Warren, President's award; Flaming Arrow of troop 8 and Eagle of troop 9 in Warren, Eagle patrol of troop 15 in Akeley and Panther Patrol of troop 14 in Russell, the first award; Eagle patrol of troop 14, Apache, Wolf and Beaver patrols of troop 13 in North Warren, and Owl patrol of troop 5 in Warren, earned ribbons for the third award. Third award was earned by the Cuckoo patrol of troop 5, Warren, and by the Flaming Arrow patrol of troop 10, Warren.

During the Camporee the scouts also planted 300 red pine seedlings under the leadership of Forester Don Taft. The scout olympics were conducted by Joseph Massey.

THRILLED over their train ride from Corry to Warren Friday evening were members of Seneca Cub Pack 45 and other newly enrolled cubs. On the Pennsylvania Railroad train excursion were Bruce Messerly, Henry Dahl, Norman Punskey, Robert Sibble, Dennis Rock, Bill Brown, Craig Marshall, David Sundheimer, James Albaugh, Dennis Darling, James Kahle, George Loranger, Charles Barone, Michael Long, Dennis Campbell, Larry Ekey, James Johnson, Robert Ekey, Eric Munson, Charles Hollingshead, Buddy Erickson, Carl Cromwell, Arthur Zerbe, Craig Brenner, Donald Brown, James Campbell and Steve Ross.

Arrangements for the trip were made by B. J. Messerly with the cooperation of the Pennsylvania Railroad.

A NATIVE OF Warren and now of Cambridge, Mass., Clifford A. Woodard, has been named president of The Mother Church, The First Church of Christ, Scientist. An authorized teacher and practitioner of Christian Science, he holds degrees from Harvard college, its graduate school of arts and sciences and Harvard Law school.

A MINOR AUTO mishap occurred two miles east of Youngsville on Route 6 at 6:15 p. m. Saturday when John Nodzak, Jr., of Youngsville, clipped the rear end of a second vehicle operated by Clyde Sherman of R. D. 2, Warren. Nodzak was attempting a pass at the time.

A TITUSVILLE MAN escaped serious injury Sunday when he lost control of his car on Route 27, 10 miles north of Titusville. He was Charles H. Maginnis of R. D., Titusville. Approximately \$1000 damage was caused to the auto.

MORE BABIES are born at 5 a. m. than any other hour, wrote Dr. Peter D. King of the Warren State Hospital

staff, in a magazine article. The doctor, in the magazine Science, stated that a study of 33,215 births at five hospitals showed 48 per cent more babies were born at 5 a. m. than at 7 p. m., the low hour.

Of the figure mentioned, 1,632 occurred at 5 a. m., 1,590 at 3 a. m., 1,588 at 8 a. m., the three most common hours. The survey showed only 1,103 at 7 p. m.

A THREE-CAR ACCIDENT caused about \$650 damage and minor injury to four people at 9:03 a. m. Friday at the intersection of Pennsylvania ave. and Marion st. The mishap took place when William K. Hawthorne of Clarendon, drove into the rear of a car operated by Maxine M. Dickerson of Tiona. The latter in turn was driven into the back of the third vehicle operated by S. Hoyt Darr, also of Clarendon. Injured in the crash were Kay Crosley of Clarendon, Hazel Vesling and Mrs. Wycoff of R. D. 1, Clarendon, and Maxine Dickerson.

BOROUGH POLICE ARRESTED Fred Silvis, 20, of R. D. 2, Sheffield, last Friday after he hit the rear end of an auto driven by Kenneth Wright, Jr., of Cobham Park road. Wright had stopped in the line of traffic. Police charged Silvis for driving too fast for conditions and estimated damage at \$300.

THE RED CROSS BLOODMOBILE will visit Warren on Wednesday, June 27, according to local headquarters. A quota of 125 pints has been set.

A REQUEST FOR a permit for traffic signals at the intersection of Fifth ave., W., and Hickory st. in Warren is not justified and for the benefit of the residence of the area who are desirous of same, here is the reason.

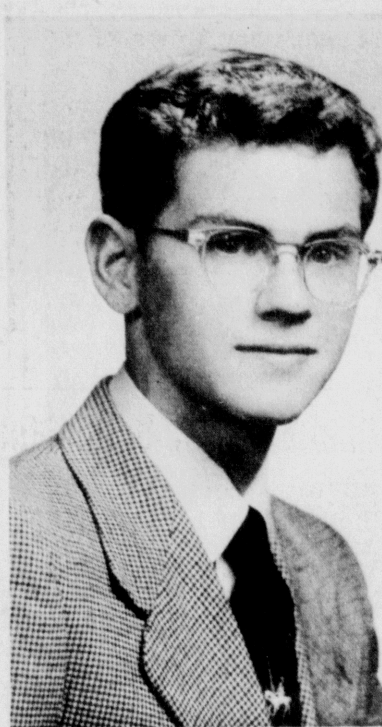

An average of 188 vehicles enter the intersection per hour from all directions. Of this number an average of 95 vehicles per hour enter from Hickory st. and an average of 93 per hour enter from Fifth st. An average of four pedestrians per hour cross the major st.

These figures given are from the latest investigation made by the Department of Highways, Commonwealth of Pennsylvania. This investigation was not the first taken at the location mentioned, and reveals a lower count than those obtained previously.

The figures do not show the volume of vehicular and pedestrian traffic at the intersection required by provisions in the Vehicle Code of the Commonwealth, therefore, permission for traffic signals to be installed and operated is denied.

CIVIC SERVICE through constructive action has brought the Warren Jaycee chapter the U. S. Junior Chamber of Commerce "Civic Service Award" for the 1955-56 fiscal year. Recipients of the award must fulfill all the requirements of the national number one project of the U. S. Junior Chamber, Operation Civic Service.

SERIOUSLY INJURED Wednesday evening was Raymond Lipsey, 14, of Kersey, who was riding on the buddy seat of a motorcycle, operated and owned by Bernard Loney, 25, of R. D. 2, Girard. When a truck which Loney was following stopped at the Irvine bridge to let another truck leave that structure, Loney swerved around it and hit the guard rail. The driver escaped with minor bruises. Lipsey has a broken pelvis and internal injuries. His condition was described as fair at the Warren General hospital this morning.

A CAR ACCIDENT on the Hearts Content road about noon, Monday, caused the death of Glenn Anderson, 18, son of Mr. and Mrs. Robert Anderson, of 102 Homestead Place. The Warren high school senior, who was a member of the class which was graduated Tuesday evening, died in the Warren General hospital at 3:40 Tuesday afternoon. Cause of death was a head injury.

The well liked young man had been active in the band, track, the Hot Stove league, and was a member of the Spanish Club. Services were held this morning from the Trinity Memorial Episcopal church.

The car was driven by Glenn Rapp, 17, of 80 Glade ave., Warren, who escaped injury. Robert Main, 17, of 1311 Pennsylvania ave. E., received minor injuries.

The car apparently hit a soft spot in the road, turned over several times, and caught fire. It was demolished.

MINOR DAMAGE was caused on Liberty st. Saturday morning when Mrs. Wilda Wilson of North Warren, caught the front fender of a car operated by Sarah Fogel of Kinzua. Mrs. Wilson was pulling out of a parking space as the latter was proceeding past her.

A DRUNKEN DRIVING charge was placed against Harry G. Nelson, of R. D. 1, Warren, at 11:20 P. M. Saturday after he struck a parked car in front of the Exchange Hotel on Pennsylvania ave., W. He was stopped a short distance away by borough police. When arraigned before Justice of the Peace Ervine Branch, he plead guilty and released on \$200 bail.

BLINDING LIGHTS at 12:25 a. m. Sunday were the cause of a two-car accident near the intersection of Pennsylvania ave. and Irvine st. It is reported that Donald Anderson of 503 Conewango ave., blinded by the lights of an oncoming car, ran into the back end of a parked car owned by George Hudock, Jr., of 105 N. South st.

### NOTICE

The annual meeting of the Warren County Chapter of the American National Red Cross will be held at the Chapter Headquarters, 404 Market Street, Warren, Pa., Monday, June 18, 1956 at 7:30 P. M. for the purpose of electing members of the Board of Directors, to fill the places of those whose terms have expired, reading of reports and for the transaction of such business as may properly come before the meeting. Each contribution to the annual Red Cross Fund constitutes membership in the local chapter. All members are urged to attend and familiarize themselves with the work of the chapter.

MRS. CONSTANTINE J. COVIS

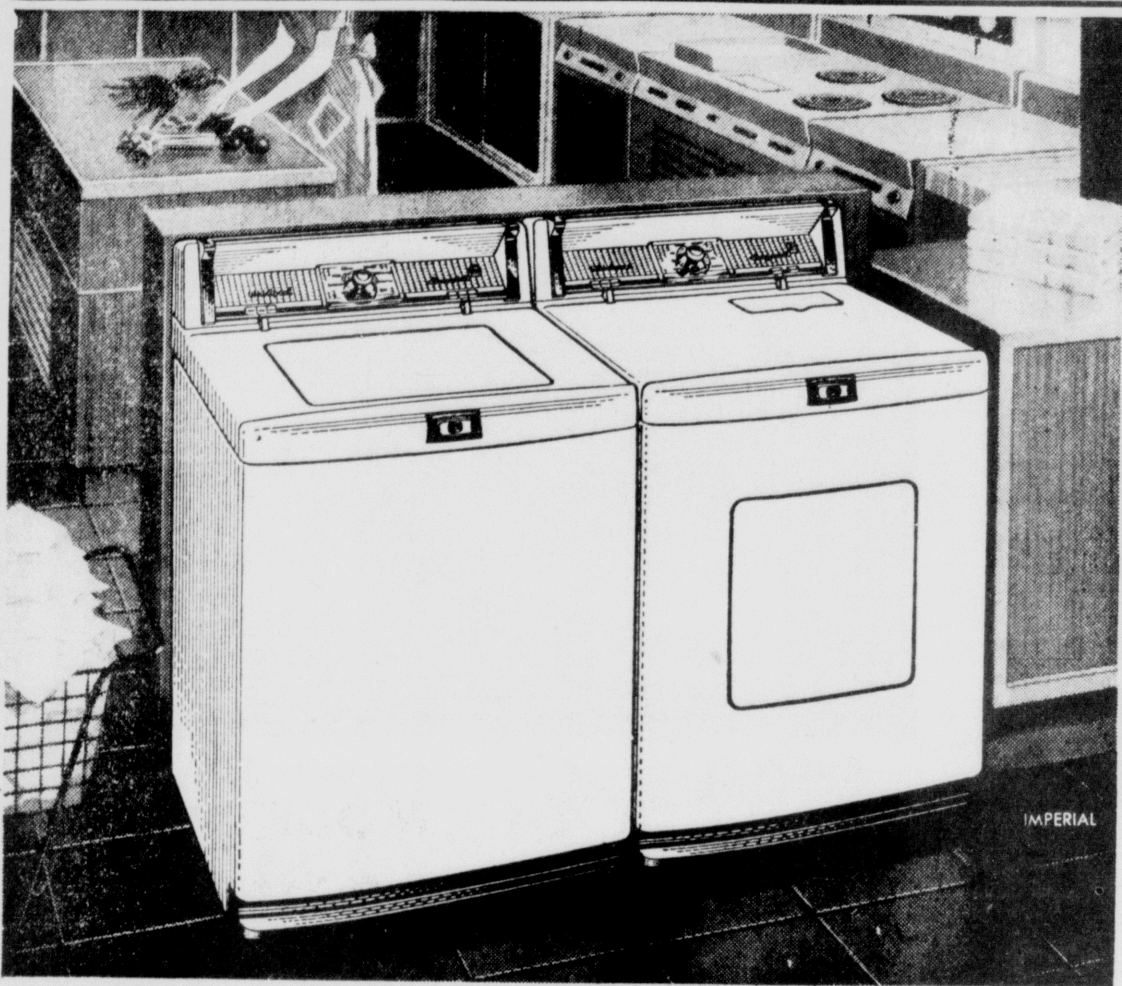

The Trinity Memorial Church was the scene Sunday afternoon, June 3, of a marriage uniting Nancy Geracimos, daughter of Mrs. Gust Geracimos of 2 Canton st., Warren, and Constantine James Coucouvitis (Covis), son of Mrs. Irene J. Coucouvitis of Manchester, New Hampshire.

The bride is a graduate of Warren

high school and Bryant and Stratton, Inc., of Buffalo, N. Y. Mr. Covis, who is employed by Remington Rand in Rochester, N. Y., graduated from New Hampton Prep school, Williams College, and Boston University College of Business Administration. The newlyweds will make their home in Rochester.

# RCA Whirlpool SPECIAL

## FREE AUTOMATIC IRONER

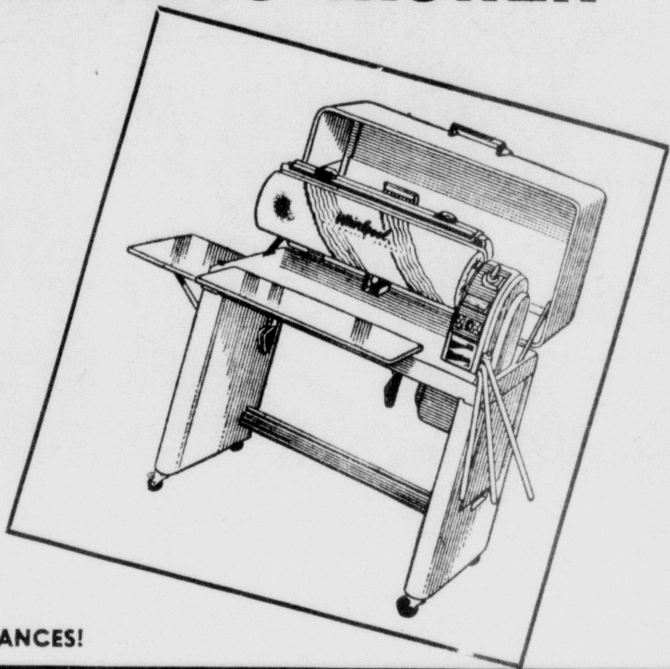

LIST PRICE \$239.95

With the purchase of the RCA Whirlpool Imperial Automatic Washer and Gas Dryer Pair . . .

SUPPLY IS LIMITED!

**THIS OFFER CAN NOT BE REPEATED!**

LOOK FOR RCA WHIRLPOOL FOR THE LATEST IN LABOR-TIME SAVING APPLIANCES!

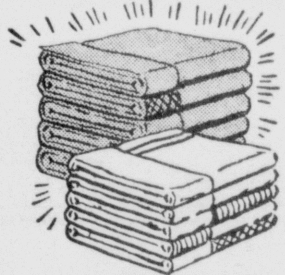

**TWO SEPARATE WASHING ACTIONS AND FOUR DRYING TEMPERATURES**

Now you can wash and dry everything safely!

Imagine! You can select the safe, correct washing action and time to suit the fabric with the new Whirlpool. At your command, you have a 1/3 lower speed and shorter time for safely washing, rinsing and spin drying your sheerest, most delicate fabrics. The normal speed and time action is for washing cottons, linens and all regular fabrics.

Then, in the dryer, you have full-range heat selection with a safe setting for all types of fabrics. With its controlled circulation of tempered heat, Whirlpool dries clothes better than the sun and outdoors; and does it automatically any time, day or night, the work-free way!

Graduation is the beginning

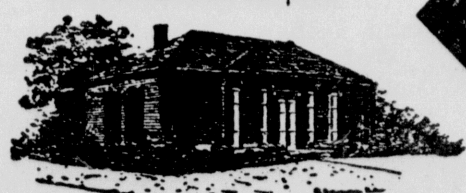

MAKE  
THE  
RIGHT  
START

Graduation means the beginning of your career—probably your entire future. One of the wisest first steps any graduate can make is to have a good talk with "the man at the Point". He can help you cash in on your opportunities, steer you away from many pitfalls, head you off on the RIGHT START financially. If you have money, he can help you turn it to the best use for you. If you need money, he is the first person you should consult. NOW is the time, graduates — come in and let's get acquainted and off to THE RIGHT START!

## Too Few Of Us Have Chests X-Rayed

Most of Warren county's residents are failing to protect themselves against tuberculosis and other lung troubles. Despite the publicity given TB and lung cancer a relatively small percentage of our adult population is visiting the x-ray unit when it comes to town. The lethargy is difficult to understand when you realize that the examinations are as easy as walking in and out of a trailer, and are free!

Last year only 4,936 adults visited the x-ray unit. There are close to thirty thousand adults in the county. This suggests that about twenty-five thousand of us are failing to take advantage of a service that could save our lives.

The unit will make its annual visit this month, from June 11 to June 27. It will visit many major plants in the county, and also will schedule stops on public streets in Warren, Tidioute, Youngsville, and Sheffield.

On Monday it will visit Sylvania's East st. plant, from 1:00 to 5:00 p. m.

On Tuesday it will serve Inter-electric and G.L.F. employees, from 9:15 to 10:15 a. m. Warren Plastic and Mead Machine employees will be x-rayed from 10:45 to noon. In the afternoon the unit will be at the Sylvania Lexington ave. plant from 1:30 to 5:00.

Wednesday, June 13, the schedule reads: Solar Electric, 9:00 to 9:45; Loranger Plastics, and Silver Lamp, 10:45 to 11:00; Paramount Furniture and Crescent Furniture, 12:30 to 2:00; Thomas Flexible, 2:30 to 4:00.

Thursday, June 14 - National Forge and Ordinance, 11:00 to 5:00 and 11:00 p. m. to 12:30 a. m.

Friday, June 15 - Warren, on Liberty st. near the Montgomery Ward store, 11:00 to 2:30, 3:00 to 5:30, and 6:30 to 9:00. It also will be in this spot on Saturday, June 16, from 9:30 to 2:00 and from 3:00 to 5:00.

The unit will visit Sheffield on June 19, Youngsville on June 21, and will be in Tidioute on June 26.

Other commercial stops and the time schedules will be published

next week.

James Mazzu, president of the Warren County Tuberculosis Society, urges all residents of the county to take this free precautionary step. Not only will it reveal lung troubles in their early stage when they may be cured, but in most cases it will give the x-rayed a peace of mind about themselves.

In 1954 there were seven new

cases of tuberculosis reported in the county, and there were two deaths caused by the disease. There are thirty-three known cases at the present time.

There also are other lung troubles which can be revealed by x-ray. With some of these apparently increasing, it is wise for all of us to have regular examinations as a step toward early treatment and possible cure.

## FREE CHEST X-RAYS, JUNE 11 TO 27

You can buy a  
**TAPPAN**  
*Electronic Range*  
**TODAY!**

**WORLD'S FIRST  
ELECTRONIC  
RANGE  
NOW AVAILABLE  
For the HOME**

All the amazing speed, coolness and convenience of electronic cookery can be yours now . . . tomorrow's cooking here today in one compact unit that can be built in or mounted on a cabinet, plugs into an ordinary electric range outlet. The most revolutionary advance in home cooking since the invention of the electric range. Tappan's electronic range cooks many foods in seconds, cuts roasting time from hours to minutes, keeps your kitchen really cool because neither the oven nor the utensils get hot . . . all the heat is in the food. You also save dishwashing time. With electronic range cooking food doesn't stick to utensils and a great many foods are cooked directly in serving dishes. Canned soups, for example, are mixed and heated in soup bowls in the range. Hot cereals are cooked in small amounts in cereal dishes for quick breakfasts. Frozen vegetables are quickly cooked in casserole serving dishes without water, retaining garden freshness. Ear corn is cooked, without water, in two minutes on a paper napkin in the electronic range

Built like a compact, lustrous oven, the Tappan electronic range can be built-in or stacked on cabinets. A super-speed unit browns meats and casserole dishes to your liking. Includes adjustable racks and a timer. Card file of over 400 detailed recipes is built into the front of the range for easy reference.

The extreme speed of electronic cooking retains the natural moisture and flavor of foods. Vegetables have a real garden-fresh flavor and crispness. meats are juicy and flavorful, not dried out and tasteless.

## BUYERS' CORNER

### PRICES DIVING

Mrs. Housewife will see the price tags shrink on many major accessories in the coming months. This may look good in the family budget but one of these days there will be some budgets that may disappear.

The companies making refrigerators, stoves, and similar household products are using the gamut of inducements to sell their products and to beat their opposition over the head. The result is that some of the opposition is laying off men, and there are leaders in the industry who believe there are plants which will fold up if the pace continues.

In fact, some believe four or five major companies will result, and one has been quoted as saying that he has been approached by several companies who are interested in a merger.

But the optimists predict that the present use of brakes, which amounts to little more than the lay-off of men, will cut down the inventories. The inventory reduction is being attempted by means of give-aways, allowances, fancy credit arrangements, and some mighty steep price reducing. The major companies also are allocating larger sums for advertising.

The unhappy part of this trend is that it seems to parallel the car industry's problem. But if a heavy hand of sales-promotion can keep money flowing into the fall, General Motors and other big producers will have re-elected their man and 1957 can take care of itself.

One of the toughies in the field, according to the Wall Street Journal, is General Electric. It is making many of the other appliance manufacturers complain about tough tactics. One of its major sales producers is financing. It not only will finance the appliance you buy, but also the remodeling costs of your kitchen and laundry.

That is where the big fellow can win these days, as is being seen even on local levels. If a man or group of men have money, and also access to willing bank funds, they can make it mighty tough on competition by doing their own financing. The net result is that they are not worrying about a profit on the product they sell. They can reduce that to obtain the loans on which they can do quite well.

Many a major merchandiser today is using his product as a medium through which to do a financing business. A car dealer so fixed can make you so attractive an offer that your budget must be in very sad shape to bolster your resistance.

\*\*\*\*\*

### VETERANS BONDS

Veterans of World War II hold \$26 million worth of leave bonds that are not earning them a penny. They have not drawn interest since October 1, 1951.

Most of the veterans have cashed their bonds which at the start were valued at over two billion. But there are 130,000 who still hold leave bonds. These drew 2 1/2 per cent interest for five years, but the time is past and today they are "still" money.

These veterans would be wise to cash them and to buy Series E bonds which pay three per cent, or at least place the money in a savings account. Some will say that government bonds are best because they are safe. We will agree about the safety, but you also must remember that the government insures your savings account up to \$5,000. Either is secure.

\*\*\*\*\*

### WATCH IT BUILT

Most of us have eyed those house trailers with a bit of envy and have wondered how much fun it would be to do a bit of nomading. Pitching your trailer in a new part of the country each season might offer much to the man who wants to see his nation. Especially if he were a writer.

Trailers are not moved by the owner in many cases today. You pick your new spot and send for the trailer. A trucker hauls it to your new location.

This enables you to travel light, buy the car of your choice, and be unhampered by a bouncing house in tow. It makes traveling fun, and assures you a home at the end of every trip.

And so we dream, but often with skepticism. We are not sure about the trailer. We can think of many impractical aspects. And we are not certain how well it is built and whether it will hold up.

For this reason we thought many of you might be interested in the open house which is being held by the ABC Coach Co., three miles west of Clarion, at the intersection of Routes 322 and 68. It will be held June 9 and will feature visits to the assembly line where two trailers are completed each day. This pace is expected to be increased to one an hour before summer is over.

This might be an idea for other manufacturers in the area. If you make something the public buys, let the public see it made. The open house at the ABC plant will include fireworks at 9 p. m. to climax the influx of visitors expected from throughout Northwestern Pennsylvania. The publicity is being handled by the Clarion Chamber of Commerce.

\*\*\*\*\*

### WHERE'S THAT HOTEL?

This writer doubts if a single investor will build a new hotel in Warren. It represents too much money for one man to invest when the return is compared with what

he can make in other fields.

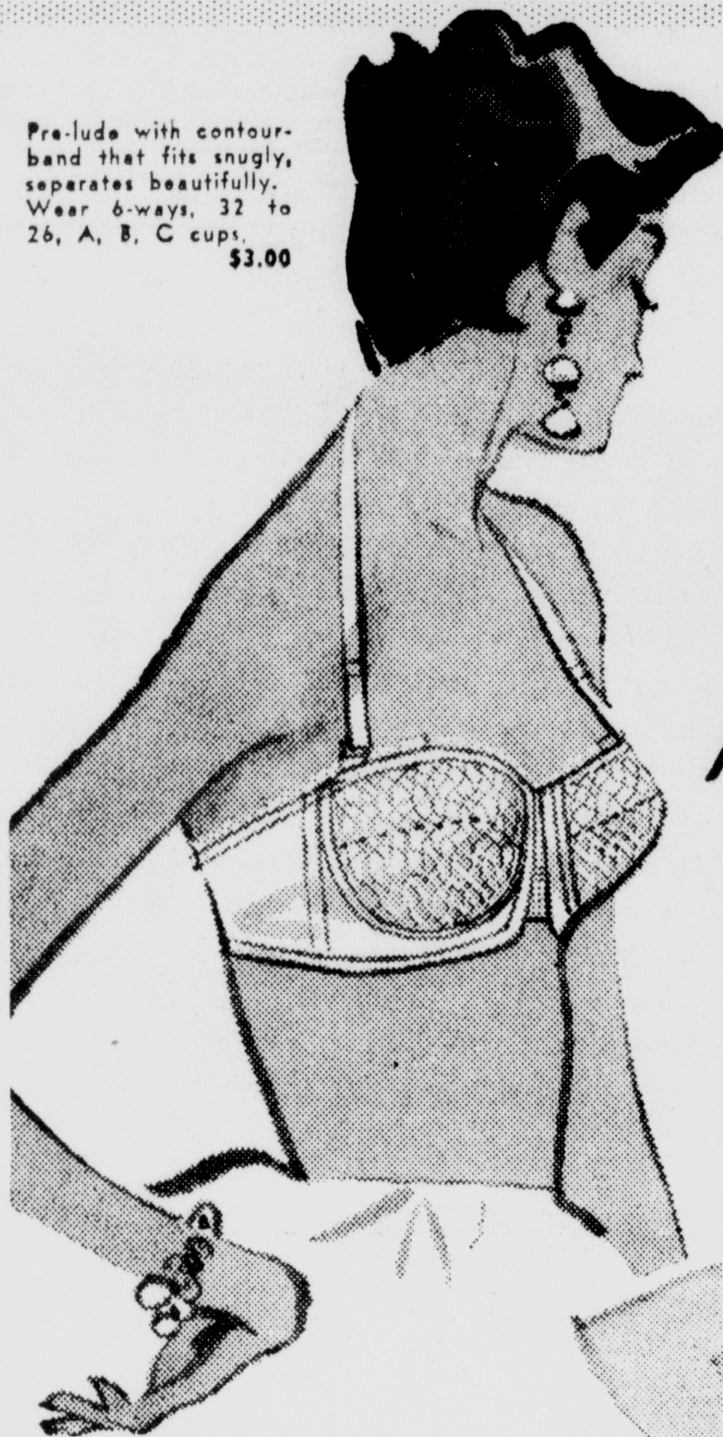

This makes it necessary for many to band together for the purpose of erecting a hotel. And again we are skeptical, though not overwhelmed

by pessimism.

It seems to us that there is too much willing money for the motel type of construction to encourage much action along hotel lines. We

will not be surprised to see at least two major motels rise up in our midst, plus perhaps one small one, and additions to present motel and cabin nests.

Pre-lude with contour-band that fits snugly, separates beautifully. Wear 6-ways, 32 to 36, A, B, C cups. \$3.00

a bra  
to wear  
**6**

## WHO'S GOING TO PAY FOR THIS?

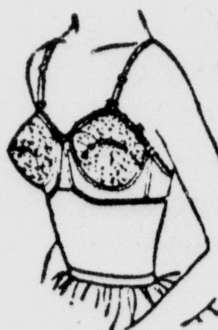

Smash-ups spell trouble for everybody . . . but especially for the man who must foot the bills for car damage and personal injuries. This need never be YOU if you are adequately protected by insurance. Complete coverage costs little, may save much!

**Insure . . . to be Sure!**

**W. A. Alexander & Son, Insurance**

At 308 Warren National Bank Building  
Phone 558

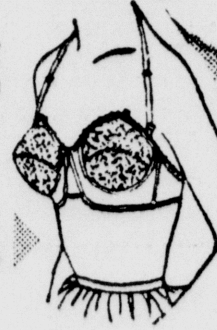

Established 1862

1  
Wear it as a regular strapped bra—you'll live in it all day long.

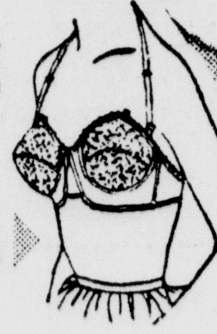

2

Or, move the easily adjustable straps over one loop for décolletage styles.

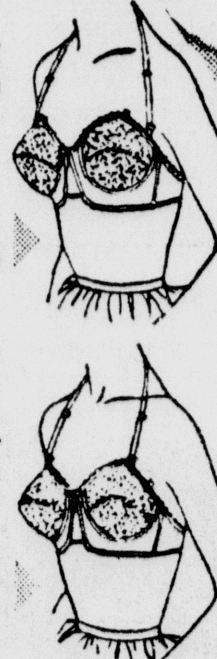

3

Take the straps off completely for a comfortable, flattering strapless version.

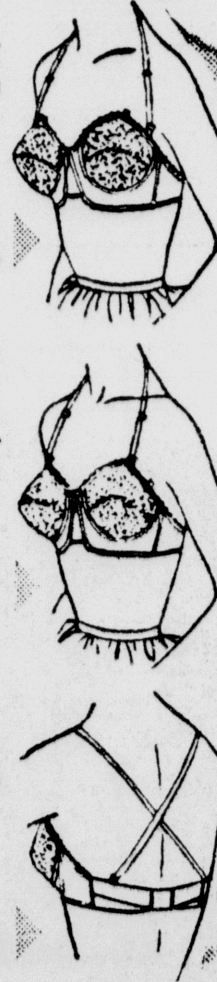

4

Wear it as a halter bra with strap set for narrow, close-to-the-throat type halters

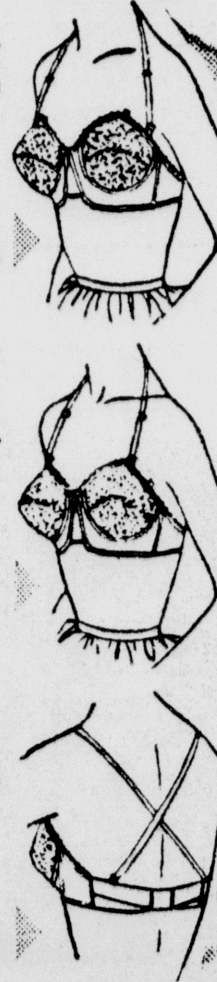

5

Or, set the strap wide for more off-the-shoulder type halter styles.

6

Cross the straps in the back to follow the line of sundresses or cocktail clothes.

## Area Sports

### KINZUA LOSES SECOND

Kinzua baseballers dropped their second game of the season Sunday when they were belted, 10-3, by Sluga's Restaurant of Frewsburg, N. Y., in a Chautauqua County Baseball association fracas. It was the fifth straight for the leading New York nine.

The Restaurant boys first removed Buzz Haight from the mound in the fifth and then made Ray Peterson the victim in their 11-hit attack. White was the winning hurler.

### ELKS PLAY OVERTIME

It took the Warren Elks 13 innings Saturday to earn their first victory of the season, 6-5, in a non-league encounter with Frewsburg. The contest was set up for the State Hospital diamond after Bradford was unable to produce a team for the regularly scheduled Penn-York league game.

### PONY LEAGUE GAME

A PONY league baseball contest will be staged by the Jamestown and Wellsville teams at War Memorial field Saturday afternoon under the sponsorship of the Hot Stove league. Game time is 5:30 and admission will be 60 cents for adults and 25 cents for young people still in school.

As a special treat for the Warren Hot Stovers, the Jamestown Falcon players will conduct a clinic at the field starting at 2:00 o'clock. This will be a great opportunity for many young enthusiasts to receive some real professional advice.

In the event of rain this Saturday the Falcons will entertain Erie here on June 16.

\*\*\*

### CITY LOOP GAMES

In the City Softball league wins were registered by Nick's over New Process, 27-4, and Guiffre's over New Bakers, 17-12.

\*\*\*

### GOLFING

Chuck Blackman won the Marshall Parshall cup in the medal play handicap tournament Saturday at the Conewango Valley Country Club. He shot a gross 76, less a handicap of 12 for a net 64.

So small a field played in the Thursday tournament, due to the weather, that prizes were held over to this week when a double list will be paid off. Today they are playing best ball of four. Next Thursday it will be match play against par. This Saturday is National Golf Day and a special event may be played.

In women's play this week Anne Blackman shot 93 for the best score. Helen Culbertson and Gladys Printz led the average score-of-two tournament with a net of 86.

In straight net play, Anne Blackman and Joan Carter were first and second in the first division, Romaine Ericsson and Gladys Printz finished in that order in the second, and it was Mid Angove and Kay Walker in the third.

Toby Lyons, former Warren pro and now of Jamestown, qualified for the National Open in the play at

Rochester Monday. He shot 144 for fourth.

\*\*\*

### RACES AT SKYLINE

Keen competition is expected to provide fans with plenty of excitement in Sunday night's races at the Skyline Speedway at Sugar Grove. Starting time is 8 p. m.

The latest track point standings of the top drivers are Squirt Johns, 140; Jim Patrick, 136; Don Bailey, 106; Gus Nelson, 100; John McGinley, 96; Al Stearns, 90; Don Price, Emory Mahan and Ed Kisko, 86.

\*\*\*

### BOMBERS BLAST LUDLOW

In Penn-York league action at Bemus Point last Saturday, the Jamestown Bombers showed no mercy in handing out a 23-4 defeat to the Ludlow Wildcats. The home nine had moved to a 11-3 lead at the end of four innings and iced the game with eight more tallies in the fifth.

Ludlow used up two pitchers in Wilson and Labeski, while Norton claimed the win for Jamestown.

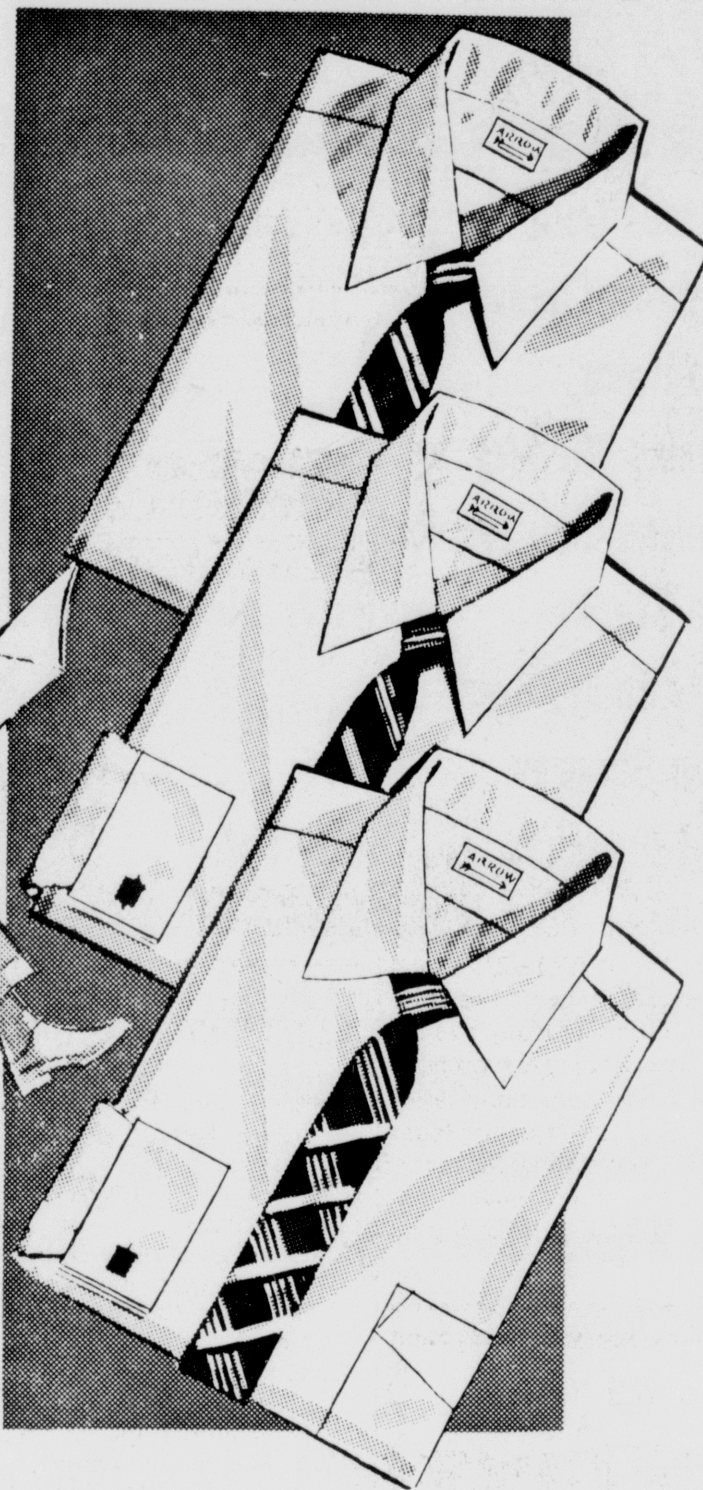

This Sunday the Cats will entertain the Jamestown Moose in another circuit encounter at 3:00 in Wildcat Park.

\*\*\*

### FALCONS TO STAY

As a result of the fine attendance at the "free night" for the Jamestown-Olean PONY league game Tuesday, the Jamestown Falcon management has announced that

## Television and Radio

By John Crosby  
Bell With Music

"I wrote the book in angry haste and I chose a far better than average Allied Military Government officer, Joppolo, as its protagonist, and a worse than average regular Army officer, Marvin, as its antagonist, because I was just back from the fronts and I was all hot and bothered," John Hersey wrote in the forward for his Pulitzer Prize-winning novel "A Bell For Adano", which CBS-TV turned into a ninety-minute musical the other night.

A great deal of "hot and bothered" quality and much of the anger and the haste are still quite evident in "A Bell For Adano", but these are not so much its weakness as its strength. The anger and the haste have made it a taut, unabashedly sentimental but unmistakably honest story.

\*\*\*

"I beg you to know this man Joppolo well," said Hersey also in his foreword. "We have need of him. He is our future in the world. Neither the eloquence of Churchill, nor the humaneness of Roosevelt, no Charter, no Four Freedoms or fourteen points, no dreamer's diagram so symmetrical and so faultless on paper, no plans, no hope no treaty - none of these things can guarantee anything. Only men can guarantee, only the behaviour of men under pressure, only our Joppolos."

That's the theme of the story - the impact of American culture at its best and at its worst on a little Italian town - and to a lesser extent the impact of the Italians on their American conquerors. The best is represented by Major Joppolo, a military government officer, who believes his mission is not only to feed and restore normalcy to his

little Italian town but also to minister to its spiritual needs. Their chief need at the moment is to get a bell to replace the one that had been taken to melt into guns.

The bad American, a Major General Marvin who is delayed by a water cart in his way through town, orders all carts kept out of town even though the populace might die of thirst. In the end Adano gets its carts back and its bell and Joppolo, though banished, is the real victor.

The CBS production, which was beautifully directed by Paul Nickell, opened with some stunning live shots of the town streets and houses and squares and finally its people. Nickell kept his camera roving through the market places and the houses and City Hall in a way that gave the production great spaciousness. Barry Sullivan was every inch a Major Joppolo - a mixture of Yankee idealism and practicality. I was less happy about Anna Maria Al-

berghetti as his Italian girl friend. Miss Alberghetti is decorative all right but not much else, though, come to think of it, it isn't much of a part.

Actually, I found Mr. Hersey's Americans a good deal more convincing than his Italians, who were a little too fundamentally childlike. The Italians are that way, all right, but they have a little more depth than that.

\*\*\*

Arthur Schwartz, the producer, and Howard Dietz contributed five

new songs. They were good songs, especially, "A Bell For Adano" and a very cute and Dietzy song called "Fish", but I don't know that they added much to the story.

Altogether, though, I think this was the happiest of the Schwartz

new songs. They were good songs, especially, "A Bell For Adano" and a very cute and Dietzy song called "Fish", but I don't know that they added much to the story.

(C) 1956, New York Herald Tribune Inc.

## Things to Come

**WARREN MUSIC BOOSTERS . . .** In appreciation of Harry Summers, are planning an informal reception in Beaty cafeteria on Tuesday, June 12, from 7 until 9 p. m. The occasion will honor Mr. Summers on his 25th anniversary of teaching and leadership in Warren schools. Everyone is invited to come and wish him continued success and good luck! A short program will be held at 8 p. m.

**FLOATS AND MARCHING UNITS, TOO!** . . . An entry blank is also in this issue for those who wish to enter a float or a marching unit for the July 4 parade. The parade will be 20 divisions long and packed full with bands, drum corps, drill teams, floats, clowns, and high-stepping majorettes.

**CALLING ALL GIRLS!** . . . If you are 17 or over you are eligible to enter the Warren Junior Chamber of Commerce Fourth of July Queer contest. The contest is open to all single girls in Warren County. The entry deadline is 5 p. m., Monday, June 25, and all contestants must be present at the selection ceremonies on Friday, June 29, at 9 p. m., at the Municipal building. An entry blank may be found in this issue of the Observer.

**Y-TEEN CAMP . . .** will be held at Camp Newatah on Chautauqua Lake near Bemis Point, N. Y., beginning Sunday, June 10, and ending June 17. The camp staff will include Dorothy F. Brenner, camp director; Harriet Carlson, assistant director; Mrs. August Juliano, nurse; Dorothy Mathyer, office secretary; Karen Stohl, waterfront director; Mrs. Kenneth Dunham and Mrs. Clair Hook, cooks; and Diane McChesney, storekeeper.

Camp offers to each girl constructive sports and activities such as dramatics, crafts, hiking, baton, news writing, softball, volleyball, badminton, archery, boating, and swimming.

All girls who wish to attend camp are reminded that all medical and registration slips should be in now. If there are any girls who do not have transportation, they are asked to notify the Y-Teen office by Friday, June 8. A truck will be provided to send luggage and camp equipment on Friday by 5 p. m.

**THE SECOND ANNUAL . . .** show of the Conewango Valley Kennel Club will be held on Wilder Field, Irvine, on Sunday, June 24. Over 300 dogs will be shown including at least 60 breeds. The closing date for entries is Friday, June 10. They may be made with the show chairman, Mrs. Norman Kanter, Sugar Grove, or with the Foley Dog Show Organization Inc., 2009 Ranstead st., Philadelphia 3, Pa.

Judges will be John Amann, Evans City; Raymond H. Beale, Orchard Park, N. Y.; Earle T. Adair, Pittsburgh; Mrs. Jane Klein, Williams-ville, N. Y.; Dr. A. A. Mitten, Rock Hall, Md.; Mrs. R. S. Quigley, Lock Haven; Robert R. Reed, Reading; and T. Howard Snethen, Dewittville, N. Y.

**A SCHOOL OF INSTRUCTION . . .** sponsored by Warren County Council and Warren Community Council P.T.A.'S will be held at Jefferson at school on Thursday, June 7. Beginning at 7:30 p. m., David G. Olson, president of Warren Community Council, will give the welcome, followed by the Invocation by Rev. Paul Peterson, pastor of the Bethlehem Covenant church. Axel Carlstrom, president of Warren County Council, will extend greetings to those attending at 7:40.

Workshops beginning at 8 p. m., will include program planning, parliamentary procedure, publicity, budget and finance, and publications. Guests in charge of the groups are Mrs. Ralph Walter, state secretary from Erie, Earl Abel, past president of Warren Jaycees, Lewis Crippen, and Mrs. Gerry Archibald.

**A SLEEP-OUT . . .** for members of the YMCA Adventure Club will be held this Saturday. The boys will leave the "Y" at 2 p. m. and be back on Sunday morning in time for church. The only charge will be a food fee of 75¢ which must be in by Friday night.

**A YMCA CAMP RALLY . . .** and reunion for all former campers and any boys interested in camping will be held on Monday, June 11, at 7 p. m. There will be movies, refreshments, and a question and answer period. All boys are urged to bring their parents.

**THE ANNUAL MEETING . . .** of the Warren County Chapter of the American Red Cross will be held at headquarters, 404 Market st., on Monday, June 18, at 7:30 p. m. Election of members of the board of directors will take place and also the reading of reports and transacting of business.

**THE ANNUAL PICNIC . . .** of Warren's Retail Merchants will be held on Wednesday, June 20 from 4 p. m. to 11 p. m. at the Marconi Outing Club. On the program is a Bar-B-Que chicken dinner at 6:30 p. m., games, entertainment and dancing.

James Blomquist, picnic chairman, has distributed the tickets to the committee who will have them for sale to all local retail establishments. Tickets will also be available at the Chamber of Commerce office.

**MRS. LYLE B. KNAPP**, entertainment chairman, announces the following schedule of social events with their chairmen for the Conewango Valley Country Club.

June 30 . . . Stars & Stripes Ball, Mr. and Mrs. James Kanner; July 21 . . . Swimming-Buffer Party, Miss Karol Kirberger; August 11 . . . Bavarian Party, Mr. and Mrs. Marion Pettegrew; September 1 . . . Labor Day Dinner Dance, Dr. and Mrs. Arthur O'Connor; October 6 . . . Hawaiian Party (Costume), Mr. and Mrs. John Wendell; November 6 . . . Election Night Dinner Party, Mr. and Mrs. Robert Dunham; December 31 . . . Annual New Year's Eve Ball, Mr. and Mrs. Lyle Knapp.

**OLD FASHIONED DAYS . . .** to be held in Warren in the Fall, are being sponsored by the Retailers Sales and Promotion committee of the Warren Chamber of Commerce. Old fashioned costuming, a parade of antique cars and buggies, special music and other events will be a part of the three-day promotion.

**MR. AND MRS. FRANK MORRISON . . .** will be honored on their Golden Wedding Anniversary at a picnic dinner on Sunday, June 10, at the family home in Tiona. In the evening relatives and friends are cordially invited between the hours of 7 and 10.

The Morrison's have lived in Tiona since their marriage on June 10, 1906. Mr. Morrison, now retired, was an employee of the South Penn Oil Co.

**A PICNIC . . .** is in store for the members of the Allen Class of the First Methodist church on Tuesday, June 12. Devotions are in charge of Ann Simmons.

### YWCA SCHEDULE

Monday, June 11 - 12:15 p. m., Rotary Club; 2 p. m., Golden Age Society.

Tuesday, June 12 - 12:15 p. m., Lions Club; 6 p. m., BPW in "Y" gym.

Wednesday, June 13 - 12:15 p. m., Kiwanis.

Thursday, June 14 - 12 noon, Heart Assn. tray lunch; 12:15 p. m., Zonta.

Friday, June 15 - 2 p. m., DAR; 6:15 p. m., CBMA tray lunch.

**LIBRARY HOURS . . .** during the summer months are as follows: On Wednesdays the Warren Public Library will close at 1 o'clock during June, July, and August. On other week days the Library will open from 10 a. m. until 9 p. m. except Saturdays when it is open from 9 a. m. until 6 p. m.

**HOSTESS . . .** for the June 11 meeting of the Young Mother's Study Club will be Meredith Peterson. The program will be a Picnic and White Elephant Sale.

**THE ANNUAL TUREEN PICNIC . . .** for Cub Scouts will be held at Wildcat Park on Wednesday, June 6. Prospective Cubs for next year and their families are cordially invited to join the

members of Pack 47 in the baseball, games, and of course, the picnic, too.

**A RALLEE-DANCE . . .** will be held for Young Republicans at the Valley Hunt Club in Lewis Run on Saturday, June 9, at 8 p. m. The dance, which is being sponsored by the Young Republican Club of McKean County, is open to state, county and local Republican leaders. It will also be open house night for area voters with dancing, entertainment, and a short, snappy rallee.

Guest speaker will be Al Rojohn, executive secretary of the Young Republican National Federation.

YOUNG OR OLD, you never outgrow your need for milk. Remember this—milk is one of nature's most complete foods and the only practical source of the calcium you need for teeth, bones and body functioning. Drink at least three glasses of milk every day. Then you'll be sure you are getting enough for your daily calcium requirement. And say . . . milk tastes good, too, doesn't it?

#### DAMP! ISN'T IT?

It may rain all summer! Who is there who would know otherwise? Certainly not the weatherman, who can't do even a short-range estimation with accuracy. The closest prognosticator is the almanac, which goes by the astronomical calculations. It is safe to say that when summer arrives by way of official sanction from the astronomical powers, we may get some summer.

The summer solstice is June 21 this year. It is on this day that our sun may shine on us the longest and the night is the shortest. The earth's axis is angled at the sun to its sharpest degree and we in the temperate zone conclude that summer is here and a couple months of heat should follow.

Spring has become something you read about in poems, or you listen to the elders speak of its fragrance, soft breezes, and warming showers. Today winter starts in November and stays with us until a date not yet determined by man, beast, or scientist for the year 1956. Then, abruptly, summer arrives, and wholly unprepared man melts.

The facts are not quite that grim on an overall basis but we are living with the facts of 1956, and our bitterness of disappointment obliterates the centuries. We do feel that recent seasons have been a bit off-beat and we are very willing to blame man's fooling with atomic blasts as the cause. There is no one who can deny this because no one has facilities with which to fully test the atmosphere more than a few miles above the earth. So if you want someone upon whom to vent your wrath, direct your glare at the men who blowholes in deserts and obliterate Pacific islands.

#### WET MEMORIES

We must confess that even we in our comparative youth (compared with the centuries, that is) can remember some unlovely summers. We once had a cottage on Lake Chautauqua for an entire summer and it rained so much we never could clearly determine whether we were at the lake or in it.

We also remember some gardening experiences that were a little frustrating. We have planted many a garden in June because of a very soaking May. In fact, we have had gardens plowed the second time due to long wet periods that put the ground back to the point from which we started.

But this May was about twice as wet as last year's. And last year we were unhappy about the saturation point. So unhappy that we tossed a few editorial barbs at the atomizers, and were told that we were absolutely wrong and unfair, because the weather was normal.

#### WHAT'S NORMAL?

That word "normal" is the one which may be throwing all of us. If you are talking about a "norm" that is established by the average

spring which most of us know, feel, and have lived, that is one thing. If you are talking about a "norm" that is established by tossing the rainfall and temperatures of all the years into a hopper and coming out with an average, that is another.

We suspect that the extremes are the ones which either depress us or glorify the word "spring". Given a year when there are many bright days, even warm ones, in April and May; given a year when the green comes early and the rains are showers so placed that they never seem to be very inconvenient; we are apt to think it a typical spring, a spring like it ought to be, and use it as our measuring device. Actually it is a mild extreme, and it also may prove costly to the fruit when one of those heavy frosts exacts its bite.

Then we come up with the other extreme, such as we have been splashing and shivering through this year. There are few bright days, and even on the bright ones there usually is a menacing cloud that suggests you better leave the top of your convertible up. Spring just never comes, and summer takes its time about it.

#### IT WILL BE MADE

It is our suspicion that there always is weather to be made. The shifting of astronomical formations and changes therein, some of which no doubt are not known to us, can have much to do with the making. For the same reason it is not beyond believing that man's new power with the basic formation of matter and his experiments therewith could have some bearing on atmospheric conditions.

Man some day will make his own weather. Without realizing it, he may already be doing so. And also without realizing it, perhaps he has taken away one of our summers, or at least summer as we think of it and want it. At least he may have abbreviated it.

As we said at the beginning, it may rain all summer. Who is there who would know otherwise?

**EASY ON THE EYES**

Now and then we drop in on a movie just to enjoy good photography. We do not fully realize how bad the average television reproduction is until we look at a giant movie screen. The fact is some of the movie photography these days is so excellent that we are not concerned with the drama, or lack of it, but content ourselves with a new kind of art that we doubt is fully appreciated.

This is especially true of westerns or pictures dealing with outdoor scenery. The expansive screens and the color combine to place the photographer squarely on the spot. And they are coming through with some astonishing work.

No matter the original size of the film involved, it is a mighty tiny object. Enlarged and projected it places before you scenes and people in minute detail with astounding clarity. And it is done in color.

Whether or not you have dabbled in picture-taking, you certainly appreciate a sharp photograph. Imagine taking millions of them and enlarging them on a screen in a perfection of detail that surpasses even the finest 8 by 10 work of many still photographers.

Now if we could get some seats and manners to go with the photography we might desert the tv set more often.

\*\*\*\*\*

**THE FOURTH**

There is a slant to the annual Fourth of July celebration that the Jaycees would like you to know. Though most of us think of it as a gigantic combination of floats, bands, drill perfection, and explosives, publicized and presented as a means of keeping Warren people at home while luring the outside dollar to our cash registers, there is another aspect.

Throughout the year the Junior Chamber of Commerce attempts to provide a series of projects, some of which are self-supporting, but all of which many times require financial bolstering. If the Jaycees can make a few hundred on the Fourth, they not only can give you a good time once a year, but also can provide funds to help in other efforts.

There was the Voice of Democracy contest, the Christmas sign, and the \$1,000 given the ice rink project. The money just didn't come out of nowhere. You provided it while having a good time.

There are some who feel the Fourth of July celebration is not a constructive project and that such energy should be directed toward the accomplishment of something of a more lasting nature. Actually the Fourth is the fund-raising medium utilized by the Jaycees. Without it much else might be impossible.

We also believe that it helps keep them together and provides a testing ground for men and committees who some day may be called on to put across a really big assignment, such as a swimming pool, or a public auditorium, or a major share of the cost of one of these . . . or both. We believe that these young men could do it, and one of the proofs we have to offer is the annual success of the Fourth celebration.

\*\*\*\*\*

**WARREN COUNTY THIRD**

Warren county was third this year in the conservation contest sponsored annually by the PFSC. Warren twice won this award. The top county for 1955 was Beaver county.

**TOO COLD FOR SWIMMING**

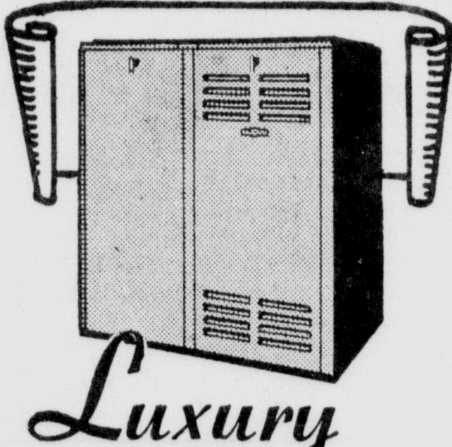

This weather should drive home the point we have made many times concerning the value of a swimming pool which can be used in all weather. The pool of tomorrow will be built that way in temperate zones. It will not be constructed completely outdoors where at the best it probably will be used no more than sixty-five days in the average year.

When built as the part of a building, such as a high school, one side can be faced toward the summer sun. This side slides out of the way and you have outdoor swimming when the weather permits.

Swimming pool specialists will tell you that two-thirds of the swimmers are out of the pool at any moment you choose to check. They enjoy the sun and the lounging therein. For that reason an outdoor pool is very enjoyable on many days and is worth having, if only in part.

**HOME HEATING AT LOW COST**

UNMISTAKABLY, it's true luxury heating with a famous Pennsylvania Air Conditioning Gas Furnace—even, constant temperature without effort . . . new cleanliness . . . years of efficient, troublefree furnace operation. The cost of this investment in more comfortable, gracious living? A surprisingly low figure that becomes still less, when you take into account the true dollar-value of a happier, healthier home. Ask us for complete details.

MR. AND MRS. LOUIS M. GNAGE  
(Stokes Studio Photo)

The Holy Redeemer Church was the scene of a double ring ceremony Saturday, that united in marriage Carolyn Rose Blackwell, daughter of Mrs. Walter Blackwell of 106 Myrtle st., and Louis M. Gnage, son

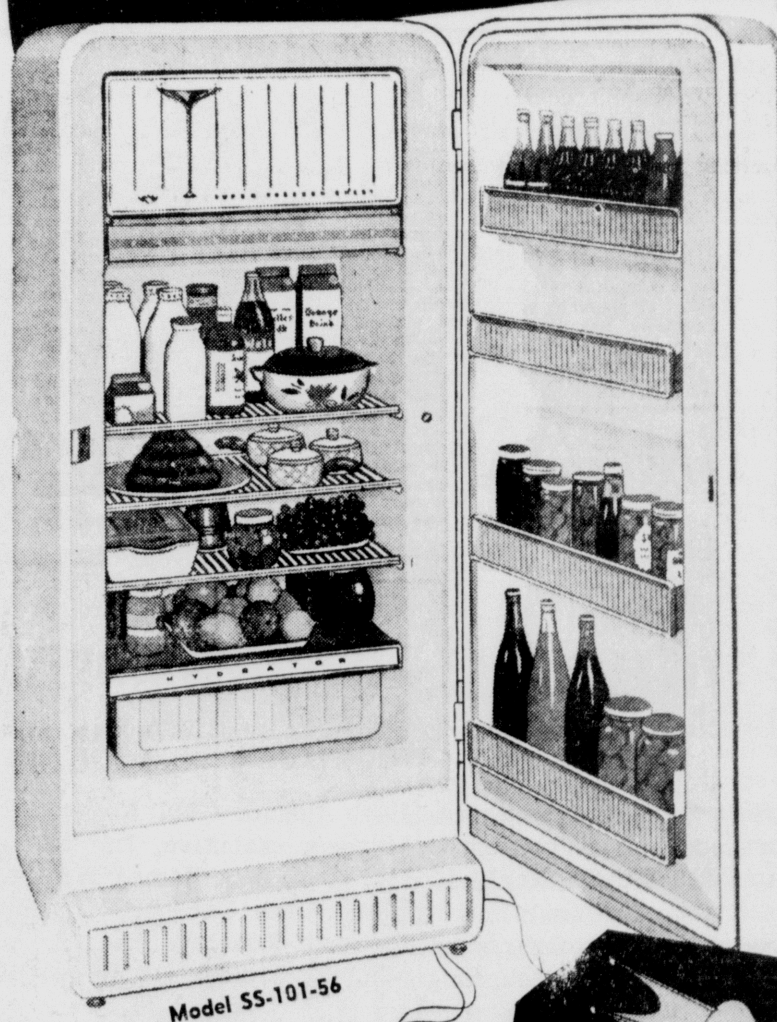

of Mr. and Mrs. Otto Gnage of 12 Fuller ave.

The young people were both Warren high school graduates in the Class of 1955. The bride is employed by the New Process company and the bridegroom at National Forge and Ordnance.

THE CLASSICAL ART of ancient Rome and Greece is depicted in this mural on the wall of the Warren high school Latin room. Five of the school's Latin students, Kathy Downs, Merabeth Newton, Bob Karlson, Dick Smith and Gale Scholes, have been working overtime for about five months to complete the job by the end of the school term.

LATIN STUDENTS Kathy Downs and Merabeth Newton used their first day off school to put the finishing touches on a mural in the Latin room at the high school. The mural shows the art of ancient Rome and Greece.

A PLAQUE RECOGNIZING the efforts of Chief Cornplanter Council in assisting Region III in winning the coveted Lorillard Spencer Cup for the year 1956, was presented Monday evening by Harold Banghart to Clifford Betts, president of the local

council, Boy Scouts of America. The Lorillard cup is presented annually to one of the nation's 12 regions. Members of the council pictured here are (l. to r.) John Hickey, Sr.,

Hugh Logan, Carl Rogers, Elmer Morgan, executive, Jim Blomquist, Mr. Banghart, James Wright, Mr. Betts, Clair Gardner, William Hill, Esmond Koebley, Henry Walker, Maurice Emery and Myron Jewell.

SIXTH GRADE GRADUATES of Pleasant township school were honored at a dinner held Monday evening at the Volunteer Fire Hall. In the class were Shirley Anderson, Walter

Anthony, Ray Cole, Sandra Fredericks, Melvin Gnage, Donald Haight, Edwin Hancox, Donald Huckabone, Joanne Johnson, Ann Lewis, Joan Lindell, Robert Lind-

sey, Richard Nollinger, Elsie Rapp, Dewey Rhoades, Rodney Rieder, Robert Schaeffer, Rose Thompson, Jeffrey Van Pelt and Cora Wilbur.

## HOT STOVE League Action

"Help Keep Them Slugging"

**BENEFIT GAME SATURDAY**

A Pony league game to benefit the Hot Stovers will be held Saturday afternoon, with Wellsville, leader of the Pony circuit, playing Jamestown. The gates will open at four o'clock, with all tickets on sale at the field. The price will be sixty cents for adults and twenty-five cents for young people including high school age.

Preceding the game there will be a clinic for Hot Stove league members. This will start at two and will be operated by the Pony league players.

Concessions for the game will be handled by the Starbrick Fire Department, which will split the profits with the Hot Stove. In case of rain the game will be played June 16, with Erie replacing Wellsville.

President Carbon last night also appointed a committee to work with a Kiwanis committee on a special Hot Stove day late in the summer.

**BANTAM LEAGUE**

(Western Division)

Gaughn's Drug opened Bantam league action by shutting out UCT, 11-0, behind the pitching of Pace. Big bats were swung by Holcomb, Scalise, Pace and Suppa (2), who had doubles, and Creola, a three-bagger. For the losers Rice and Patrick had a double and triple respectively.

Warren National Bank was the 26-0 victim of Thomas Flexible Coupling as Chapel tossed a no-hitter and clouted out three home runs. Other round-trippers were tagged by Johnson (2), Long and Erickson.

**BANTAM LEAGUE**

(Eastern Division)

A 14-0 shut-out was recorded by Warren Transfer at the cost of Russell. Caldwell led at the plate with three extra-base hits, one a homer, and Tuller socked a pair of doubles. In hurling a no-hitter, Thompson fanned 18 batters.

Lind put on a one-hit performance and struck out 15 men as New Process set Warren Co. Dairy back, 7-1. At the plate it was Dave Dahler with two three-baggers and Hansen with a home run.

**MIDGET LEAGUE**

(Eastern Division)

Mack's News bettered Newell Press, 12-3, with Tourtellott allowing only two safeties. McCarthy had the only circuit clout for the winners.

Interlectric baseballers may have set a league record Tuesday evening when they piled up an overwhelming 52-3 victory over the Akeley Merchants. Scoring in every inning, the Warren nine aggregated 51 hits in the contest.

Homers were slammed in the game by D. Gidders and S. Massa, while Cederquist, the winning hurler with a one-hitter, D'Angelo and Hamilton tagged triples.

**MIDGET LEAGUE**

(Western Division)

Engle's pitching and Arnold's homer paced Seneca Lumber's 7-1 triumph over Hammond Iron. Cole and Huckabone helped the winners with doubles.

**INTERMEDIATE LEAGUE**

Betts Machine put one tally across

in the seventh frame to edge Sylva, 4-3, in a nip and tuck Intermediate loop contest. The winning battery was Tassone and Morrison. Haslet was the losing pitcher. Both gave up five hits.

**CADET LEAGUE**

Nelson and Ellberg found the Printz Co. too much Wednesday night and were forced to drop a 14-2 decision. Albaugh and Lind formed the winning battery. Extra base smashes came off the bats of Lind and J. Barr in the form of triples.

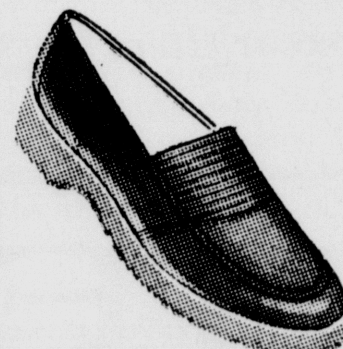

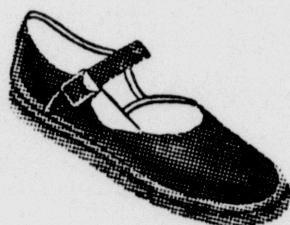

Fernow Pontiac came from behind a three-run lead to defeat J. A. Johnson, 7-3, at War Memorial Field last evening. Fogle hit a two-bagger for Fernow's only extra base hit, while Wooster slammed a homer for the losers.

**JUNIOR LEAGUE**

Behind the two-hit pitching of Bob Hartnet, Western Auto shut out Struthers Hose, 11-0, in a Junior league contest at Jackson field.

**Deaths**

GRANT W. ARP, 49, Saybrook, died Wednesday, May 30, at the Warren General hospital. Funeral services were held Saturday at the Borden Funeral Home in Sheffield.

T. H. STEVENSON, 85, of 202 N. Irvine st., Warren, died Thursday, May 31, at the home of his daughter. Services in his memory were held on Sunday at the Beechwoods Presbyterian church.

MRS. IDA MARIE KAINU, 82, of Spring Creek Twp., Warren County, died Friday, June 1, at her home. A prayer service was conducted in Corry on Monday.

MRS. BELLE SPARKS, mother of the Rev. G. Forrest Sparks, pastor of the First Baptist church, Warren, died at New Castle, Del., hospital, on Sunday, June 3. Funeral services were held in Ashland, Ky.

JENNELLI M. MILLARD, 78, of Washington, D. C., and former Clarendon resident, died Sunday, June 3. Funeral services were held at the Peterson Funeral Home on Wednesday.

FRANCES MARIE KOWALSKI, Tidoute RD 2, died Sunday, June 3, at her home. Services in her memory were held at St. John's church on Wednesday.

FRANK TREMBLAY, 84, of Jackson Run rd., died Monday, June 4, at the Warren General hospital. Funeral services in his memory were held today (Thursday) at St. Joseph's church.

GLENN ANDERSON, 18, of 102 Homestead Place, Warren, died at the Warren General hospital on Monday, June 4, as a result of injuries received in an automobile accident. Funeral services were held at the Trinity Memorial church this morning (Thursday).

JAMES VINCENT LUCIA, 41, of 308 Morrison st., Warren, died Monday, June 4, at the Hamot hospital in Erie. Funeral services will be held on Friday, at 9 a. m. at St. Joseph's church.

ISADORE SZCZYPINSKI, 734 East 22nd st., Erie, died Tuesday, June 5, in the Warren General hospital. Removal was made to Erie.

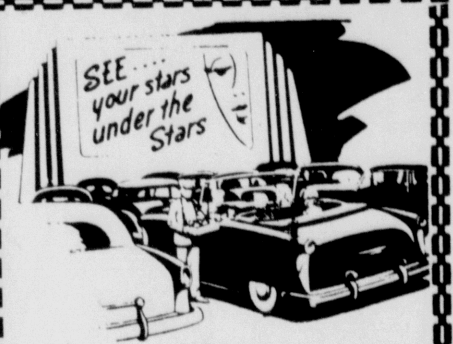

MRS. PETER GALMISH, 83, former resident of German Hill, died at the home of her sister in Centerville on Tuesday, June 5. Services will be held today (Thursday) at 2:30 p. m. at Mt. Zion Lutheran church.

ERNEST CONRAD MILLER

A degree of Master of Arts, honoris causa, was bestowed upon Ernest Conrad Miller of North Warren, at Allegheny College's 141st graduation exercises on June 4.

In awarding the degree President Lawrence Lee Pelletier said: "By action of the Faculty, the Board of Trustees concurring: Ernest Conrad Miller, of Warren, Pennsylvania; a graduate of Pennsylvania State University in 1934; active in the oil industry and since 1940, Vice-President of the West Penn Oil Company of Canada, Ltd.; a business man whose interest in Western Pennsylvania has been a valued avocation which has made him a well informed and accurate historian of this area; an author whose writing on oil and Western Pennsylvania has covered such famous characters of Americana as John Wilkes Booth and John Brown, devoted friend of Reis Library and the Lincoln-Tarbell Collection; appropriately recognized by a College proud of its library and its regional ties, honoris causa, Master of Arts."

## The POLITICS OF IT

### IKE IS IN

The Democrats in Washington have handed re-election to President Eisenhower. He is a popular man in good times. That is enough to elect a man, if there are not enough counter-balancing facts, figures, situations, and personalities.

The facts have been there, and the figures, situations, and perhaps the personalities, but they have not been used or developed. The Democrat congressmen have failed to aim an attack at the President. They have shot all around him but never have placed the blame where it belongs if you want to defeat a leader.

They have worked so hard at attacking administration underlings and leaving the President go unscathed that they are running out of targets at this very late date. They don't like the administration's water and power program, but instead of placing the blame on the head man they constantly have pecked away at department heads and others in the executive branch. Such a one was Douglas McKay, secretary of interior, who had much to do with the White House public power policies. The President very neatly sent him back to Oregon to run against Senator Wayne Morris, and replaced him with a rather liberal Republican, Fred A. Seaton, owner of many papers and radio stations.

And so another failure to place the blame where it belongs is plaguing the Democrats who are losing their boys and soon will have left only their friend, whom they have supported in much legislation which his own party members opposed. It develops a strange situation.

We suspect that there are many Democrats in Washington who are very happy to have him there. He is conservative where many of them are conservative and he relieves them of the job of battling for major progressive changes. They would just as soon have him half-heartedly propose such ideas. This leaves his failure to accomplish these measures as political fodder, but also saves them the job of fighting for such legislation in times which are so economically happy that people are not easily aroused.

They also would prefer to have the present boom wear itself out in Republican hands. If there is a tailspin at the end of it they figure they will be called on to save the economy, as was the case in the 1932 election.

President Eisenhower's biggest weakness is one that no other president has had to face, and it is not one that will defeat him. Under our new presidential law he can serve only one more term. This makes him a lame duck, and possibly a very ineffectual one.

This suggests that the scramble in Washington for the next four years will be to develop strong leaders on both sides. It will require accomplishment to elect a man to the White House in 1960. Both sides need to bring a man forth who will have an appealing record. If that is to be done in Washington much more must be done than has been the case in the past four years, when much talking and proposing has been done, but little fighting has been seen to back up the proposals.

# THIRD ANNUAL JUNE WEEK SALE

STARTS THURSDAY JUNE 7 9:30 A. M.—ENDS SATURDAY JUNE 16

## Observations

By Bob Walsh

### TOO SMALL

Who can say that the Beaty school auditorium was adequate for the 79th annual commencement exercises of Warren high school? Not only was it too small, but even with the help of the cafeteria we are certain there were many who would liked to have had tickets if more could have been utilized.

The stage will not hold an entire class. The use of the high school musicians was impossible because of space limitations. The overflow was seated in the cafeteria where they enjoyed no greater advantage than if they had stayed at home and listened to the radio. In fact, they would have been more comfortable at home.

This is not something that is temporary. The First Presbyterian church will not solve the problem next year. The church is being remodeled and a big share of its present seating capacity is being eliminated. We are stuck with Beaty auditorium!

At least we are stuck with it unless someone can sell the school board on the idea that a high school auditorium should be large enough to at least serve its student body. With Warren high school expected to reach the 1500 mark before the new school is finished, and with resulting senior classes obviously about to grow larger, is there any doubt that the auditorium should number at least 1500? Some propose two thousand!

Again we suggest that we never will find a less expensive way of building a public auditorium. And there is little doubt that Warren has needed one for many years. We also have little doubt that money could be raised to pay for seats that might not be approved by the state as a part of the amount which it will help finance.

The fact is you might be amazed how many people have called us to offer help in our efforts to obtain a really new and a really adequate high school. And in almost every case they have offered to donate to a special fund if necessary, and to have a part in a drive for funds. People want this high school! And more important, they are willing to pay for it!

Warren has a pair of problems today that are very closely related. Its rapid expansion is making new facilities necessary, and industry's problem of obtaining good men for many jobs is greatly dependent on the quality of those facilities. There are good family men who will not move to a community that lacks a modern recreation program. And there are even more of them who take a mighty close look at the schools.

Obviously this thing chases itself around by the tail. If we want good citizens we must both make them and attract them. We also must keep them.

Many groups in the area are going on record in favor of a new school on a new site. Unless there are a few influential citizens who for selfish reasons can influence our public officials to do otherwise, we do not see how our elected representatives can fail to heed these requests.

Our next hope is that it will be an adequate school. There is little use making requests for a school if we do not make our wants known concerning what it should contain. At the moment we are discussing only the auditorium. The graduation exercises revealed a need that is not going to disappear, but instead is going to grow.

Not only should our auditorium be large enough to seat 1500, but it should be constructed in such way that it can be enlarged. With it should be adequate stage space, dressing rooms, and storage rooms. It should be built not only to fully accommodate the student body but also to serve the entire area in

which the jointure is located. This, includes parking, and explains why the school of tomorrow must be on a new site, a large site, an adequate site.

It would be a poor investment of tax money to construct a school that not only would ignore tomorrow, but actually would half serve us today.

**VISIT THE X - RAY UNIT, JUNE 11 TO 27**

WHS GRADUATING SENIORS enjoyed their annual class dinner at Beaty cafeteria Monday evening. Seated here at the speaker's table are (l. to r.) Ed Lowrey, invocation; Nancy Dalrymple, Scott Whitehill, Nancy Sidon and David Fitzgerald, class prophecy; Miss Katherine Martin; Michael Shanshala,

co-president, master of ceremonies; Mary Ann Watt, co-president, toast to faculty; Willard Foley, treasurer; Regina Coppola, secretary; Peter Sanden, class history; Miss Edna Glasser, faculty response; and Emily Robertson, class will. Group singing was lead by Harry Summers.

TOO SMALL. Because the Beaty auditorium would not accommodate the Warren high school senior class and even the close relatives of those being graduating, many were seated in the cafeteria where they listen-

ed but didn't see. They could have done that at home. And with the First Presbyterian church seating capacity being reduced, the situation will get worse as the student body grows.

BEATY CAFETERIA provided an ideal setting for this year's high school prom. Following the big dance the young people were invited to the Conewango Club for a party.

AT THE HEAD of the procession of Warren high seniors entering the First Methodist Church for the Baccalaureate service Sunday were Co-president Mary Ann Watt and Treasurer Willard Foley.

MRS. RICHARD F. HUTH

## Microwaves Cook In A Jiffy

A new time table in home cooking has been opened to the American homemaker with the public introduction of the world's first electronic range for the home, made by the Tappan Stove company of Mansfield, Ohio.

The revolutionary electronic range accomplishes almost unlimited cooking wonders, as was recently demonstrated to members of the press at a demonstration at the Penelec demonstration center in Warren.

Some examples of what it will do are broil bacon on a paper plate in 2 minutes; bake a potato in 5 minutes, cook a 5 pound beef roast in 30 minutes, heat a jar of baby food in 45 seconds, and bake a 2-layer cake in 6 minutes in a cold oven. Accompanying the range is a card file containing 400 detailed recipes.

Browning of meats and casseroles in the range, long the question mark of electronic cooking, is achieved by a super speed coil element in the top of the oven.

Microwaves, the same type of energy which transmits the ultra high frequency signal on a television set, operate the unit. Since the heat is generated in the food itself, temperature controls are eliminated. The range operates on a 220-volt electric current, using the same type of outlet and cable as an electric range.

United in marriage in a double ring ceremony held in the First Methodist Church Saturday afternoon were Sally Jane Theodore, daughter of Mr. and Mrs. Ralph A. Theodore of 706 Conewango ave., and Richard Frank Huth, son of Mrs. Lillie Huth of Tarentum.

The bride is a 1952 graduate of Warren high school and University of Pittsburgh School of Pharmacy in 1956. The bridegroom graduated from high school in 1948, served two years in the Air Force, graduated from the University of Pittsburgh School of Pharmacy in 1956 and is presently employed in the Physicians' Pharmacy in Tarentum.

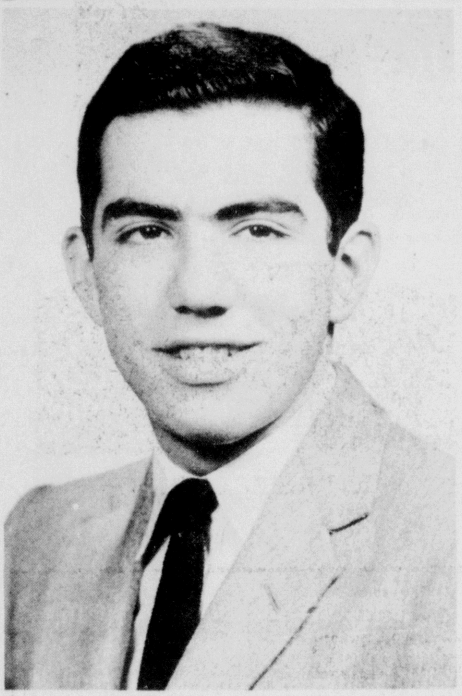

The couple will be at home in Breckenridge after June 10.

RIGHT IN STYLE with the Caribbean theme of the Warren high school junior-senior prom Saturday evening were these waiters. They are (l. to r.) front -- Vince Toscano,

John Tassone, Francis Bevevino, Jack Karkosky and Bill Bevevino; back -- Gerry Archibald, Dick Kyler and Bob Eggleston.

## ***IT'S SWITCHCRAFT*** ***— that's what it is !***

*You'll see when you try  
Buick's new  
Variable Pitch  
Dynaflow!*

IT TAKES a new word to describe the magic at your command when you drive a '56 Buick — with the newest transmission of them all.

It's full power go-ahead on the instant. You can get where you were just looking in a shaved second's time — with the most modern and most thrilling surge of safety acceleration in the land today.

It's smoothness, too. *Complete* freedom from the "bump" and lag of gears shifting. Only with Dynaflow can you go winging away with so smooth a sweep.

And only with a '56 Buick can you enjoy Dynaflow's newest marvel. It's something the engineers call "double regeneration." Lets you start off like an Olympic sprinter, with the pedal pressed just an inch or less. (And driving that way, you get better gas mileage.)

There's more big news, too, that goes with this new Buick magic. And that covers a lot more than styling.

Sure — you'll like the graceful new beauty of the V-shaped prow and sweep-ahead look. And you'll like the extra room inside.

But as you drive you'll find that this Buick responds with the new might of a big, record-powered V8 engine of 322-cubic-inch heft.

It handles easy as butter to a warm knife. Tracks the curves like a plane on the beam. Makes any road seem paved with pillows.

And what's responsible for all this are more new engineering advances than Buick has ever made in one model year.

So why not come in and see — and feel — the difference they make? You'll soon know why owners find it's the best Buick yet — and the best buy yet, by far.

*\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.*
